

Fixed Rate Cash ISA

Account Name	1 Year Fixed Rate Cash ISA
	3.90% Tax Free/AER
What is the interest rate?	<p>Tax free means the interest you earn is exempt from UK Income Tax & Capital Gains Tax.</p> <p>AER stands for the Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year (excluding bonuses).</p> <p>Interest is calculated daily and paid annually on the anniversary. Annual interest can be added to the ISA account or paid to a nominated bank account or another suitable Furness account</p>
Can Furness Building Society change the interest rate?	As the interest rate is fixed, the rate will not change for the term of the account.
What would the estimated balance be after 12 months and at the end of the term?	<p>Based on the fixed rate of interest, if you deposited £1,000.00 in this account, after 12 months you would have £1,039.00. At the end of the one year term the maturity balance would be £1,039.00.</p> <p>These figures are for illustration purposes and are based on no withdrawals or changes in interest rate throughout the term of the account.</p>
How do I open and manage my account	<p>Opening your account</p> <ul style="list-style-type: none"> • A Furness Fixed Rate Cash ISA may only be opened by an individual aged 18 or over who is resident or ordinarily resident in the UK (subject to exceptions for certain Crown employees). If you cease to be resident in the UK you may not make any further contributions to a Cash ISA although it can remain open and accumulate tax free interest. • We will satisfy ourselves that anyone we delegate our functions and responsibilities to under the terms agreed is competent to carry them out. • You must notify the Society if you cease to meet the residence qualification.

- You can only open a Cash ISA in your own name. Throughout the time you hold your account, you must be the sole beneficial owner of the money invested in it. You must not charge your account or use it as security for a loan.
- The account will be operated in accordance with prevailing rules and regulations and legislation which may, of course, be varied from time to time, by the Government. The favourable tax treatment of ISAs may not be maintained and subscribers should note that it is the Government which is responsible for the tax treatment and not the Society.
- The Furness Fixed Rate Cash ISA is a share account which confers membership rights and is subject to the Rules of the Society. Copies of the Rules can be obtained from any branch or from our Head Office.

Changes following the Government's Autumn Statement in October 2023:

From 6 April 2024, multiple subscriptions are permitted in each tax year to ISA's of the same type, however all subscriptions must remain within the overall ISA subscription limit of £20,000.

Subscriptions with the Society remain limited to one ISA held with us in any tax year. Partial transfers of current year ISA subscriptions between providers will also be allowed from 6 April 2024, however, the Society will continue to allow full transfers in and out only.

From 6 April 2024 it will not be possible for anyone aged 16 or 17 and under to subscribe to more than one cash ISA. This is a mandatory change with transitional arrangements.

From 6 April 2024, the minimum age for an ISA with the Society will be 18, in preparation for the end of the transitional arrangements which end at midnight on 5 April 2026.

Where an individual aged 16 or 17 prior to 6 April 2024 holds an existing cash ISA, they may continue to subscribe to it or transfer it in full to another cash ISA after 6 April 2024.

Savings limits and additional investments

The minimum opening deposit is £1,000. The current Cash ISA allowance for 2025/2026 tax year is £20,000, you can also transfer in previous years Cash ISAs from other providers and other Furness Cash ISAs.

If you want to make an ISA transfer please see the 'Transfers In' section.

You need to make sure we've received the money you're using to open the account (or an ISA transfer in request form) within 14 calendar days of your application being received. If we do not receive the funds or a transfer in request form within this time we will cancel your application. You can only make one deposit into the account at the time of opening and any additional receipts will be returned.

Once you have opened your Fixed Rate Cash ISA you will not be able to make any further payments to the account.

Managing your account

Simply open an account via the Furness Savings app on your mobile, via our website on your pc, by calling into your local Furness branch, or by calling us on 0800 834 312. Alternatively, you can download an application form from our website.

When you open your account in branch you will receive a passbook.

You will need to provide some identification when you open your account and details of our requirements can be obtained from your local branch. If you are already a Furness customer, in most cases this will not be necessary.

Cancellation

You may cancel your application to subscribe to a Furness Fixed Rate Cash ISA during the first 30 days after the account was opened. Any such request must be made in writing to our Head Office or your local branch. Interest will be paid to you during the cancellation period. We will contact you to acknowledge your cancellation and notify you that the cancelled subscription does not count as a subscription to an ISA.

You may still subscribe to another Cash ISA in the same year and for the full amount once your Cash ISA has been cancelled.

If you do not exercise your right to cancel in the first 30 days the ISA will be treated as your Cash ISA for that tax year and you will not be able to subscribe to another Cash ISA in that same tax year with the Society. You will, however, be able to subscribe to additional Cash ISAs with other providers, within the overall ISA subscription limit of £20,000. You will also be bound by the terms and conditions detailed in this Key Features Document.

Transactions

	<p>Payments can be made by electronic payment, or by cash or cheque at your local branch. You may also send a cheque through the post. Please ensure that cheques are made payable to yourself on the payee line. These payments must be from your own funds and not from a third party.</p>

However, we will require your passbook before we do so.

Transfers in

If you want to transfer another Cash ISA to your Furness Fixed Rate Cash ISA you should contact us to ask us to arrange the transfer. On receipt of the documentation we require to arrange the transfer, we will forward your transfer request to your current ISA provider within 5 working days.

We will backdate the start date for interest accrual on the funds transferred to us to the date on the existing provider's cheque.

The Society does not accept partial transfers in or out (except from previous tax years), or transfers in from Stocks and Shares, Innovative Finance ISAs or Lifetime ISAs.

What is an ISA?

The ISA (Individual Savings Account) was developed by the Government to encourage everyone to save long term, whether it is for pleasure or rainy day money. Anyone who pays tax either now or in the future should consider saving money in an ISA to help keep their savings out of the taxman's reach.

The purpose of this Key Features Document is to provide balanced information so that you can make an informed choice about how to save.

General information about ISAs:

If you are an adult, then in any tax year you can pay into multiple Cash ISA, Stocks and Shares ISA, Innovative Finance ISA and one Lifetime ISA (age restrictions apply to the Lifetime ISA). Furness Building Society only offers Cash ISAs, and you can subscribe to only one with the Society, but can subscribe to additional Cash ISAs across other providers within the £20,000 overall limit.

From 6 April 2025 you as an investor can subscribe up to £20,000 of which up to £20,000 can be subscribed to a Cash ISA with the Society or across multiple providers. Any amount not invested in a Cash ISA can be invested in Stocks & Shares ISAs, Innovative Finance ISAs or one Lifetime ISA - subject to the £20,000 overall limit.

Example	Cash	Stocks & Shares	Innovative Finance ISA	Lifetime ISA Max £4,000
1	£1,000	£18,000	£1,000	Nil
2	£20,000	Nil	Nil	Nil
3	Nil	£20,000	Nil	Nil
4	Nil	Nil	£20,000	Nil
5	£8,000	£4,000	£4,000	£4,000

You can hold each type of ISA with different providers or the same provider. In each tax year ISA investors may subscribe to:

- Multiple Cash ISA and/or
- Multiple Stocks & Shares ISA and/or
- Multiple Innovative Finance ISA and/or
- One Lifetime ISA (age restrictions apply)

You do not have to save in all components and you do not have to save the full amount allowed.

HM Revenue & Customs Return

We must supply a return containing details of your Cash ISA to the HM Revenue & Customs each year. We will also give the HM Revenue & Customs any other information they are entitled to receive concerning your Cash ISA. HM Revenue & Customs will use the information we provide to identify investors who have broken the ISA rules by contributing to a disallowed combination of ISAs in a tax year.

Voids

The Society will notify the customer in writing if by reason of any failure to satisfy the provisions of the ISA regulations, the account has or will become void. Any corrective action will be taken within 30 days of notification. If by mistake you over subscribe in a tax year you should contact the HMRC ISA helpline: 0300 200 3312 for advice.

Death of the investor

Interest earned on a Cash ISA after the date of death of the investor is not exempt from tax. However, there is no loss of exemption on interest arising before the date of death.

Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a building society is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme.

An eligible depositor is entitled to claim up to £120,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors the maximum amount that could be claimed would be £120,000 each (making a total of £240,000). The £120,000 limit relates to

the combined amount in all the eligible depositor's accounts with the building society, including their share of any joint account, and not to each separate account.

For further information about the scheme (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website www.FSCS.org.uk or call 020 7892 7300 or 0800 678 1100.

A deposit is excluded from protection if:

1. The holder and any beneficiary owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, building society or credit union
2. The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering
3. It is a deposit made by a depositor which is one of the following:
 - Credit Institution
 - Financial Institution
 - Investment firm
 - Insurance undertaking
 - Reinsurance undertaking
 - Collective investment undertaking
 - Pension or retirement fund *
 - Public authority

For further information about exclusions, refer to the FSCS website at www.fscs.org.uk
