<b>Account Name</b>	<p align="center"><b>2 Year Fixed Rate Cash ISA</b></p>
<b>What is the interest rate?</b>	<p align="center">4.35% Tax Free/AER</p> <p>Tax free means the interest you earn is exempt from UK Income Tax &amp; Capital Gains Tax.</p> <p>AER stands for the Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year (excluding bonuses).</p> <p>Interest is calculated daily and paid annually on the anniversary of account opening. Annual interest can be added to the ISA account or paid to a nominated bank account or another suitable Furness account</p>
<b>Can Furness Building Society change the interest rate?</b>	<p>As the interest rate is fixed, the rate will not change for the term of the account.</p>
<b>What would the estimated balance be after 12 months and at the end of the term?</b>	<p>Based on the fixed rate of interest, if you deposited £1,000.00 in this account, after 12 months you would have £1,043.50. At the end of the 2 year term the maturity balance would be £1,088.89.</p> <p>These figures are for illustration purposes and are based on no withdrawals or changes in interest rate throughout the term of the account.</p>
